

The Program

Central Church believes strongly in educating young musicians for future leadership. Our program offers a stipend amount of \$2,500 per academic year. Typically, these internships are for students majoring in music, but qualified students in other disciplines are also encouraged to apply.

Students selected for the program are required to participate fully in the Music Ministry of our church, which includes Wednesday evening rehearsals, Sunday mornings, as well as special music programs. To apply, fill out the form on the reverse side, or contact Russell Nelson, Director of Music Ministries.

Internships will be awarded based on an audition and interview, which will be scheduled once the application is submitted.
